DD/R-382-63

5 March 1963

MEMORANDUM FOR: Director of Training
ATTENTION: Chief, External Training Branch
SUBJECT: External Training Requirements for FY 1964
for Deputy Director (Research)

1. Attached are three sets of completed summary sheets of the external training requirements for FY 1964 for the immediate office of the DD/R and for the offices of Special Activities, ELINT, and Research and Development. Each training request will be individually considered for approval.

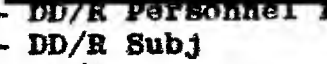

2. While the present state of development in the DD/R insofar as fully staffing authorized positions, together with the lack of knowledge as to what skills new personnel may bring to a particular position, make accurate estimates difficult, we believe these estimates are as realistic as it is possible to make them at this time.
